Notes

Information

Please note that the following provisions regarding the term and notice period for your software licence agreement apply to your binding order:

- When ordering docu tools software on a monthly basis, the customer may terminate the licence agreement with docutools GmbH in writing with one calendar week's notice to the next contract date. The contract date is the date on which the order is signed, which is extended month by month.
- When ordering docu tools software on an annual basis, i.e. with a minimum term of one year, the customer cannot terminate the software usage agreement with docu tools GmbH within this minimum term and is obliged to pay the usage fee for the entire minimum term. The contract date is the date of signature of the order, which is renewed annually. If the software usage agreement with docu tools GmbH is not terminated in writing with two calendar weeks' notice to the next contract date, it shall be extended for another year.

Termination shall be effected by sending an email to sales@docu-tools.com, stating the intention to terminate the usage agreement.
